Portronics Adapto 30

Adapto 30 W Dual Port Fast charging

- **Fast Charge** : The Portronics Adapto 30. The Adapter has a built-in 30-watt fast charging at 30 Watts with a single connection while 15 watts each with 2 active connections. It charges your smartphone faster than the 5 W standard apple charger. It has the potential to charge Apple devices like Macbook Air M1(2020) to 100% in approx 2 hours 44 mins. Furthermore, it can charge the iPad to 50% and from 0 to 80% in 1 hour and 18 minutes. At Portronics we always believe that size does not matter.
