

VACUUM FLASK WITH 3 CUPS
GSS05

Vacuum Flask With 3 Cups

Insulated water bottle has a capacity of 500ml, great for storing any drink: water, tea or coffee, milk, etc. And we have added a practical and creative cup lid design to the stainless steel flask. It is not only a cup lid, but also a tea cup. Water bottles sport with handle very suitable for daily use and can be taken with you, such as Hiking, Biking, Camping, School or Company. Also fits most drink holders for bikes, car cup holders as well as backpack nets.
